That's all!

How to operate Ovice after entering the  
Open campus

# 3. Ovice: How to operate

## 【Moving your avatar】

There are 4 ways to move your avatar

1. Drag & drop avatar
2. Double-click on the destination point
3. Use the four-way controller
4. Use the mini-map (bottom left figure)

Mini map button

Click point you want to go

# 3. Ovice: How to operate

## 【 Conversation by voice 】

The black circle area is the range where the voice can be heard.

=> That is the area where we can hear each other!

The volume of the sound depends on the distance from the other party, so try to get as close as possible!

# 3. Ovice: How to operate

## 【 Group Conversations 】

Conduct group conversations with multiple people or when you want to hear what the other person has to say.

Access various laboratories and let's go to talk to them!

# 3. Ovice: How to operate

## 【 Chat Conversations 】

Chat button

When you want to ask questions in the chat, Click the chat button in the upper right corner of the screen.

Mention button

⚠Caution

If you send a message without mentions, it will be sent to everyone.
